Do you have what it takes to become a professional speaker?

Do you want to write a keynote but don't know where to begin?

Do you know what clients look for in a professional speaker contract / agreement?

In this one day professional speaking workshop all the above questions will be answered and much much more. This course is packed full of information. It provides essential material for anyone wanting to up their game and develop themselves as a professional keynote speaker. The emphasis of the day will be on keynote design and all that has to be in place to 'land that contract'.

Subjects covered are:

- How a speaker networks before and after his/her speech
- What to ask on your pre booking questionnaire
- What you should put in your speakers contract/agreement
- How to pace and lead your audience
- Hidden code of body language (very powerful)
- How to choose the right audience member to work with at the front of the room
- How to get people to buy more from your product table
- What exactly is a Keynote speech
- Brainstorming ideas for your own Keynote
- How to design a powerful Keynote
- Mind mapping techniques for your Keynote speech
- Do's and Don'ts of Keynoting
- How to up sell your next program / product / workshop

Testimonials

"This course showed me exactly what I needed to do in a direct and succinct way. I now have a strategic understanding of my keynote and contract development."

Leon Turner

"I had a major WOW moment on this course which caused me to change my whole direction. I now know what it takes to become a professional and now I am ready. Thank you Erick."

Joanne Sheriden

"I am rich rich rich. The amount of golden nuggets passed on in this workshop defies belief. It's like having six hours of secret inside knowledge about an industry that is very hard to break into. I would not hesitate to recommend this training to anyone who a professional speaker or wants to be"

Steve Betterman
